UNITED STATES PATENT OFFICE.

GUSTAVE SCHROEDER, OF ST. LOUIS, MISSOURI, ASSIGNOR TO BARNHART BROTHERS & SPINDLER, OF CHICAGO, ILLINOIS.

DESIGN FOR A FONT OF PRINTING-TYPE.

SPECIFICATION forming part of Design No. 21,119, dated October 20, 1891.

Application filed August 17, 1891. Serial No. 402,906. Term of patent 14 years.

To all whom it may concern:

5 Be it known that I, GUSTAVE SCHROEDER, a citizen of the United States, residing at St. Louis, in the State of Missouri, have invented and produced a new and original Design for a Font of Printing-Type, which is fully set forth in the following specification, reference being had to the accompanying typographical impressions, forming a part thereof.

10 This design comprises lower-case letters, capitals, figures, dollar-mark, character &, and points. It is very extended, bold face, and devoid of shades and light lines, all lines being substantially uniformly heavy. The second forms of lower-case h, m, and n and the first form of capital A are distinguished by a stroke which is the final stroke of the lower-case letters and the initial stroke of the capital—a curve of more than ninety degrees, being approximately one hundred and eighty degrees in the lower-case letters, and departing slightly from an arc of a circle with a tendency toward spiral form, concave toward the remainder of the letter, and extending

down below the line. Horizontal elements of 25 capitals, as the cross of capital T and the horizontals of capitals E, F, and Z, have the free ends finished by ceriphs on both sides—i. e., above and below. Capital C has in lieu of the customary upper characteristic a ceriph- 30 like formation at the inner corner of the upper end, the outer corner being finished square without ceriph or characteristic, and the lower terminal is an incipient spiral, the end of the line being exteriorly rounded and 35 interiorly very slightly hooked.

I claim—

The design for a font of type herein shown and described.

In testimony whereof I have hereunto set 40 my hand, at St. Louis, Missouri, in the presence of two witnesses, this 11th day of August, A. D. 1891.

GUSTAVE SCHROEDER.
