UNITED STATES PATENT OFFICE.

JOHN WEST, OF BROOKLYN, NEW YORK.

DESIGN FOR A FONT OF PRINTING-TYPE.

SPECIFICATION forming part of **Design No. 15,965**, dated **March 10, 1885**.

Application filed February 6, 1885. Term of patent 7 years.

To all whom it may concern:

Be it known that I, JOHN WEST, of Brooklyn, Kings county, New York, have invented and produced a new Design for a Font of Printing-Type, of which the following is a specification.

The nature of my design is clearly shown in the accompanying typographic impression, to which reference is made; and it consists of a letter of the Gothic character ornamented by a light groundwork of curved-line character. The cross-strokes of the letters are separated from the vertical or up-and-down strokes, and

the rounding letters are characterized by the openings, so that the appearance of stencil-work results.

The character of the design is preserved in the numerals and in the interrogation-mark.

I claim as new—

The design for a font of printing-type, as shown and set forth.

JOHN WEST.

In presence of—

W. V. H. HICKS,
A. SIDNEY DOANE.
