Specification for Design.

Patented Dec. 22, 1908.

Application filed April 25, 1908. Serial No. 429,285. Term of patent 7 years.

To all whom it may concern:

Be it known that I, SIDNEY C. GAUNT, a citizen of the United States, residing at Chicago, in the county of Cook and State of Illinois, have invented a new, original, and ornamental Design for a Font of Type, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

The drawing is a view of the characters of a font of type, showing my new design.

The general features of my design as shown present a character of type which are made of diagonally parallel lines, drawn at an an-

gle of 45 degrees to the base line of the letter. The general configuration of the type presents a broad font. The peculiar square and sloping outline of the punctuation marks adds to the distinctive features in connection with the other characters.

I claim:

The ornamental design for a font of type, as shown and described.
